Environmental and Social Completion Sheet (ESCS)

Overview

Project Name: Västerås Municipal Investments
Project Number: 2014-0039
Country: Sweden
Project Description: The project concerns the financing of investment schemes forming part of Municipality of Västerås four year investment programme from 2014-2017.

Summary of Environmental and Social Assessment at Completion

EIB notes the following key Environmental and Social outcomes at Project Completion.

No significant environment or social issues were noted. None of the schemes to which the proceeds of the loan were allocated were screened in by the Competent Authority, and no EIA needed to be performed for them and delivered to the EIB. Also none of the schemes were deemed to have significant impacts on Natura 200 sites.

Summary opinion of Environmental and Social aspects at completion:

EIB is of the opinion based on reports from the promoter that the Project has been implemented in line with EIB Environmental and Social Standards, applicable at the time of appraisal.
